

Waste Water Solutions LTD

Cleanline Waste Water Solutions LTD are a Drainage Maintenance and Repair Company based on the Wirral.

We are currently recruiting for a **CCTV Drainage Engineer**

Hours:

42.5 hours per week (7.00am to 16.30pm) + overtime. Must be flexible due to early starts.

Salary:

£9.00 - £11.00 per hour depending on experience

Benefits:

A full time position with the option of overtime; twenty two paid holiday per year plus Bank Holidays; PPE; regular training; competitive rates of pay; workplace pension

About the Role:

To carry out CCTV surveys of drainage systems and analysing pipe conditions in order to produce high quality reports by the use of state of the art drain surveying equipment. Systems include IPEK and Proteus Systems using Wincan software.

You will handle various types of contracts carrying out drain surveying and classification works. These can be locally or in some cases Nationwide when working on large high profile schemes.

About You:

The ideal candidate will have previous drainage experience, OX19 certificate, up to date CSCS card and a high pressure water jetting certificate, confined spaces or NRSWA qualifications are not essential but would be an advantage.

How to Apply:

Please email your CV to Samantha Mills sam@cleanlinewws.co.uk along with covering letter or call 0151 643 0800

Driving licence essential.

Other positions available include:

- Drainage Engineer
- HGV Drainage Engineer
- Re-Lining Specialist
